Fact Sheet on Cargill v1.docx

Here is the Cargill fact sheet. Note this is NOT the one we've developed on the Cargill-Region 9 funding question. I also have Duarte and PCC done, others underway.

All –

OCIR let us know that they are particularly interested in getting the OW/Regional factsheets for the hearing (as opposed to the purely OW ones) as soon as possible. For us that would be:

Redacted - Non-responsive

• Cargill

Redacted - Non-responsive

If it's possible to get these wrapped up sooner than Friday, we can pass them along to OCIR so they can run them through the traps on their side.

Please let me know what you think is feasible.
